Grape Harvest Tour & Tasting

Come watch us harvest our estate grown grapes and see how the crushing is done after the picking. The ***Narcisi Grape Harvest Tour & Tasting*** allows guests to experience the 'grape-to-bottle' process first-hand and leave with an in-depth understanding of the grape growing and winemaking process, along with an informative and fun private tasting. In the wine world, harvest is much more than picking grapes, it is a unique experience that allows you to enjoy the colors, the flavors and the aromas, which together help to understand the richness of the wines of our region.

Narcisi Grape Harvest Tour & Tasting takes a group of approximately 36 guests to explore the fine crafts of grape growing and winemaking.

This ***Grape Harvest Tour & Tasting*** is limited to the harvest day; make sure that you don't miss it!

Frontenac grape harvest: Sunday, September 23, 10 am

Cost: \$50/person
